

VERMONT DEVELOPMENTAL DISABILITIES COUNCIL

REQUEST FOR PROPOSALS (RFP)

COMMUNITY SUPPORT MODEL PROJECTS

1. Introduction to VTDDC: The Vermont Developmental Disabilities Council is a state-wide, 23 member Council created under the federal Developmental Disabilities Assistance and Bill of Rights Act [DDAct]. Its Mission is *to help build connections and supports that bring people with developmental disabilities and their families into the heart of Vermont communities*. Sixty percent of VTDDC members are people with disabilities or family members who are appointed by the Governor; other members are representatives from state and nonprofit agencies.

VTDDC receives federal funding to support advocacy and improve services and supports for people with developmental disabilities. With these federal dollars, VTDDC funds activities to increase the availability of individual and family-centered supports and to promote independence, self-determination and community inclusion. VTDDC also advocates for and works toward increased public awareness of issues affecting people with disabilities and their families.

2. Purpose & Work Expected:

Vermonters with developmental disabilities and their families have very practical ideas for small changes that could have major impacts on how people live, work, and participate in life in their communities.

The purpose of **Community Support Model Projects** is to provide seed money to launch projects that offer new and innovative ways to directly help Vermonters with developmental disabilities live, work, and actively participate in their communities. Projects need to have the potential to go state-wide. Preference will be given to projects in the key priority area of transportation.

3. Funding Range: Between \$2,000 and \$10,000. Total funding available is \$10,000.

4. Project Time-Frame: Completion by December 31, 2011.

5. Application Deadline: November 12, 2010.

6. How to Apply:
